

ACM SIGGRAPH Interactions

November Edition

- ACM SIGGRAPH Chair's Corner- Dr. Eakta Jain, ACM SIGGRAPH Executive Committee Chair
- Symposium On Innovation Research & Experiences in Education (SOIREE) Call
- Announcing the Call for Nominations: ACM SIGGRAPH Awards Program
- Member Profiles
- SIGGRAPH 2025: Innovation and Community Meet in the Heart of Vancouver

ACM SIGGRAPH- Chair's Corner

ACM SIGGRAPH Executive Committee (EC) Chair, Eakta Jain

ACM SIGGRAPH Chair's Corner, is a dedicated blog series featuring reflections, insights, and updates directly from the ACM SIGGRAPH Chair. This series offers a behind-the-scenes look at the journey and vision that guides our community.

Don't miss the Eakta's second post:

[Fifty Years is a Long Time](#)

Take a walk through SIGGRAPH's incredible 50-year history, exploring the milestones, innovations, and the people who have shaped the field of computer graphics and interactive techniques.

Visit the [Chair's Corner](#) to see past issues and to stay informed, inspired, and engaged as we celebrate the past and embrace the future of our field.

Chair's Corner

Symposium On Innovation Research & Experiences in Education (SOIREE) Call

The Education Committee announces the call for submissions for our [annual online SOIREE!](#) This symposium is a fantastic opportunity to showcase your innovative ideas, research breakthroughs, and unique experiences in education. The deadline for submission is December 31, 2024.

What we're looking for:

- Innovative Practices: Share cutting-edge teaching methodologies or technologies.
- Research Insights: Present findings that challenge norms or advance educational theory.
- Experiential Stories: Narrate impactful or transformative experiences in education.

Why Participate?

- Engage with a community of forward-thinking educators and researchers.

- Gain recognition and feedback from peers in the educational field.
- Contribute to shaping the future of education.

ACM SIGGRAPH Membership Profiles

We are excited to share the November edition of ACM SIGGRAPH Member Profiles! This series highlights the incredible individuals who make up our community, showcasing their achievements, passions, and contributions to computer graphics and interactive techniques.

Meet ACM SIGGRAPH Members:

- [Noriko Namikoshi](#)
- [Mark Sagar](#)
- [Paul Brown](#)
- [Mario Escobar](#)

Dive into the stories and celebrate the diversity and talent within ACM SIGGRAPH. Visit [ACM SIGGRAPH Member Profiles](#) today to explore this month's features!

If you are interested in nominating an ACM SIGGRAPH Member for a profile, or would like to provide your own, submit to your name to membership-chair@siggraph.org

Announcing the Call for Nominations: ACM SIGGRAPH Awards Program

ACM SIGGRAPH is proud to open the 2025 Awards Program, inviting nominations to celebrate the pioneers, innovators, and outstanding contributors to the field of computer graphics and interactive techniques.

Nominate Today: Help us recognize the exceptional contributions of individuals in our field. Nominate a peer, mentor, or colleague who deserves to be celebrated. All the ACM SIGGRAPH Awards will be acknowledged at SIGGRAPH 2025.

SIGGRAPH 2025: Innovation and Community Meet in the Heart of Vancouver

SIGGRAPH 2025 is set to redefine how we connect our physical and digital worlds for the better. Vancouver is a city synonymous with innovation, creativity, and a flourishing digital ecosystem, making it the quintessential host city for our computer graphics community. After three years away, we're set to return this August. In celebration, we asked the SIGGRAPH 2025 Committee to share why they love Vancouver and some of their favorite memories in the city.
